Statements made in this newsletter are the sole Responsibility of the Pacific Northwest Section of ASNT.

The annual ASNT Picnic has been cancelled due to conflicts with other scheduled events in August

Our first meeting will be at the old ball game!

The Pacific Northwest Section of ASNT will meet on September 5, at 7:05 P.M. at Safeco Field to watch the Seattle Mariners play the Tampa Bay Devil Rays.

A block of 30 tickets has been reserved for the game. The cost of each ticket will be \$30.00. Excellent seats may be reserved on a first come first serve basis by contacting Dennis Heinz at 1-800-581-2432 or Lynn Kaskin at 1-253-813-1811. The tickets will go fast, call immediately if you wish to attend the game.

Past Events:

Sunday July 15, 2001:

The Pacific Northwest ASNT 2001 golf scramble was held at Madrona Links in Gig Harbour, Wa.

Our first place winners were the team of Bob Swisher, Gerald Cruise, Dean Tapia, and Ward Fong.

The Second Place team included Rod Mehrer, Bob Martel, Dan Koch, and Dennis Heinz.

See the attached sheet for winners and prizes for the various contests.

Thanks to Bob Swisher and Dennis Heinz for all their hard work in making the tournament a success.

Congratulations to all of the elected officers.

The first board meeting of the newly elected
officers was held on Friday, August 10,
2001. Among many of the issues discussed
were the need to establish better links with
the ASNT National. A decision to email
newsletters to all members with internet
access was proposed and passed. Meetings
in the coming year will be held the second
Wednesday of each month.

In Memorium: Lee G. Connel

A noted voice for the establishment and
advancement of nondestructive testing in the
Pacific Northwest was lost on June 29,
2001. Lee Connel was a member of the
local section for many years and the
President and owner of X-Ray Inc. for over
30 years.

Lee is survived by his wife Mary, daughter
Kathleen, sons Mark and Robert, and five
grandchildren. Lee will be greatly missed.

A special thanks to all the officers who
served in the year 2000-2001. The section
has built a solid financial base to begin the
coming year, and sponsored many
successful and educational meetings during
the past year.

The Pacific Northwest Section of ASNT is
soliciting Vendors and Distributors
interested in presenting hands-on
demonstrations of NDT products at each
meeting scheduled for the coming year. We
are specifically interested in demonstrations
of solutions to common inspection
problems. If you are interested in presenting
at one of our meetings please contact Dennis
Heinz (1-800-581-2432) or Clive Graham
(1-425-822-8271).

Any person interested in speaking at one of
our monthly meetings on a subject that
advances knowledge, educates, or presents
new insight into common NDT problems
should contact either Dennis or Clive.
