SECTION NEWS

Electronic Newsletter Distribution

We would like to stop sending you paper copies of the monthly newsletter. Please send email to secretary@asntpnws.org so you can be removed from the paper newsletter mailing list. Include the following information:

1. Name
2. The fact that you want to stop getting the paper copy
3. Email address to receive email copies only.

Most company email servers will not accept email unless it has a specific address such as you@server.com.

If your E-mail address has changed, please E-mail the changes to the Chapter's Sec. at secretary@asntpnws.org.

EMAIL UPDATE

The member database on the section web site is once again fully functional. Please update your email address at the [section web page](#) by choosing member data base and details, also update your [member profile at headquarters](#).

LEVEL III CERTIFICATES

Certificates are available at each meeting to document your meeting attendance for Level III renewal points. See an officer for details.

DID YOU KNOW?

1965 - Schumsky's Restaurant

Schumsky's Restaurant, located in the Renton Village Shopping Center, was first opened in May 1965 by Don Schumsky. Schumsky's Restaurant was originally a cafeteria-style restaurant with a gazeboed ice cream parlour.

1979 - The Second Schumsky's Restaurant - Schumsky's Four Corners

In 1979, the second Schumsky's Restaurant was opened. Schumsky's Four Corners had become a favorite dining spot for many of the customers in the Maple Valley area. The newest attraction was their Sports Bar with an eight foot TV screen with full satellite reception.

1983 - Schumsky's Sea-Tac Restaurant

Schumsky's Sea-Tac Restaurant, located on Pacific Highway South and South 188th was opened in June 1983. Besides catering to the many tourists from the surrounding hotels, the Sea-Tac restaurant was a popular dining place for many airline personnel as well as the residents of the greater Sea-Tac area. This restaurant also provided room service to over 1000 rooms to hotels who did not have in-house restaurants.

1985 - Schumsky's Brass Rail

Opened in December, 1985, Schumsky's Brass Rail, located at 423 Airport Way in Renton is their latest restaurant. This restaurant's specialty was Lobster, Prime Rib, Steak and Fresh Seafood served daily.

1993 - Schumsky's Brass Rail changes its name to Schumsky's All City Diner.

In the fall of 1993, the former Schumsky's Brass Rail Restaurant, changed its name, decor and menu. The new name selected was the "All City Diner". A menu change was done to reflect this Diner Style which included Fresh Roast Turkey, Yankee Pot Roast, Chicken Fried Steak, Meatloaf and more. However, Schumsky's All City Diner still has all the favorite menu items of the past -- Burger Baskets, French Dip Sandwiches, Large Cut Steaks, Prime Rib, Seafood, Pasta, plus our great Salads.

OTHER EVENTS

2004

- SEP 19-23 **International Conference on Fatigue Damage of Structural Materials V**, Hyannis, Massachusetts. Contact: Sarah Phillips, conference secretariat, Fatigue Damage V, Elsevier, The Boulevard, Langford Lane, Kidlington, Oxford OOX5 1GB, England; 44 1865 843691; fax 44 1865 843958; e-mail s.phillips@elsevier.com; Web site www.fatiguedamage.com.
- SEP 20-23 **The 47th Annual ATA Non-Destructive Testing (NDT) Forum**, in Albuquerque, New Mexico, enables industry leaders to meet and discuss pertinent NDT issues and methodologies. The Forum draws participants from equipment designers, technicians, vendors, regulatory authorities, and airlines. Contact: Air Transport Association of America, 1301 Pennsylvania Avenue NW, Suite 1100, Washington, DC 20004-1707; (202) 626-4000; Web site <http://www.airlines.org>.
- SEP 26-29 **Materials Science & Technology 2004**, New Orleans, Louisiana. Contact: TMS, 184 Thorn Hill Road, Warrendale, PA 15086; (724) 776-9000; fax (724) 776-3770; e-mail raabe@tms.org
- NOV 7-11 **Glass and Optical Materials Division Fall Meeting**, Cocoa Beach, Florida. Colocated with the 16th International Symposium on Nonoxide Glasses. Contact: the American Ceramic Society, PO Box 6136, Westerville, OH 43086-6136; (614) 890-4700; fax (614) 899-6109; mailto : customersvc@acers.org; Web site www.ceramics.org.
- NOV 8-10 **ASTM Committee E28 on Mechanical Testing**, Omni Shoreham, Washington, DC. Contact: Dan Schultz, ASTM; (610) 832-9716; mailto : dschultz@astm.org.
- NOV 8-11 **ASTM Committee E08 on Fatigue and Fracture**, Omni Shoreham, Washington, DC. Contact: Jeffrey Adkins, ASTM; (610) 832-9738; mailto : jadkins@astm.org.
- NOV 14-19 ASME **International Mechanical Engineering Congress and R&D Expo**, Anaheim Hilton, Anaheim, California featuring a symposium for [Nondestructive Evaluation Techniques for Damage Characterization and Remaining Life Estimate](#) (choose Technical Program, Call for Papers, Non-destructive Evaluation)
- NOV 15-19 **ASNT Fall Conference and Quality Testing Show**, Riviera Hotel, Las Vegas, Nevada. Contact ASNT at kwise@asnt.org. See [Exhibitor Prospectus](#) and [Exhibitor Contract](#).

2005

- MAR 14-18 **14th Annual Research Symposium**, Hyatt Tamaya Resort, Albuquerque, New Mexico. Contact ASNT at kthomas@asnt.org.
- JUN 1-4 **International Chemical and Petroleum Industry Inspection Technology (ICPIIT) IX Conference**, Hyatt Regency Houston Airport, Houston, Texas. Contact ASNT at kthomas@asnt.org.
- JUNE 19-24 **The Third US-Japan Symposium on Advancing Applications and Capabilities in NDE** Maui, Hawaii. <http://www.irrsp.net/events/conferences/jsndi05/abstracts.pdf>
- OCT 17-21 **ASNT Fall Conference and Quality Testing Show 2005**, Hyatt Regency & Columbus Convention Center, Columbus, Ohio. Contact ASNT at kthomas@asnt.org.

SECTION PHOTO COLLAGE

Anyone that has any old photos of past local ASNT people/functions or anything that may be interesting for a section photo collage, please contact [Lynn Graham](#). She would like to put together something nice for the section and is asking for your help in doing so. Thanks very much. Lynn can be reached at (253) 813-1811.

NEWSLETTERS

We are looking for past newsletter/meeting notices for any year for inclusion on the web site. Of particular interest are those edited by Mr. Harold Pinsch. If the section can borrow them for scanning purposes please contact a board member.

PRESIDENT'S POINTS

The President's Award Program is based on point values assigned to various management or operation categories. The categories and point values are established by the SOC Awards Division and are reflective of section activities which are considered important to the section and appropriate to the goals of our Society. These categories are appropriate to all sizes of sections and, of course, require considerable involvement by your section leadership to complete. Many of the due dates are established by publication or regional/national level committee meeting dates. There is a maximum of 12,500 points to be earned in this program. The program period is from July 1 to June 30. The accumulated point values for each section will be reported on a quarterly basis and on an annual basis by the Headquarters staff. The annual summary will be reported by achievement levels as follows:

Gold: 10,750 to 12,500 Points Silver: 8,500 to 10,749 Points Bronze: 6,250 to 8,499 Points

Copper: 4,000 to 6,249 Points No Award: 0 to 3,999 Points

The Pacific Northwest Section has a current point total of 9,400 points through the 4th quarter of a possible 12,500 for the year putting the section in 4th place of participating sections. Each section placing in the top four levels will receive a letter of recognition of its achievement level and a ribbon showing the year and achievement level for attachment to its banner. Point summaries will be provided to the section leadership, SOC Regional Directors and SOC Executive Committee on a quarterly basis. The October issue of *Materials Evaluation* will publish the annual achievement levels of all sections for the previous year.

NEWSLETTER ADDRESS LABEL

The first line of the address label contains the member number followed by the expiration date of membership for that number.

ASNT Section News is Available Online!

Stay up-to-date with your section and see what other sections are doing. Visit www.asnt.org on the first of each month for the latest section news from around the world. Section News is available now. Visit <http://www.asnt.org/localsections/sectionnews/sectionnews.htm>

ASNT E-mail

ASNT uses E-mail to inform you about the events, publications, certification and occurrences within the Society and the nondestructive testing industry. To remove your email address from future ASNT emails, please call 800-222-2768 or email mrapp@asnt.org and put unsubscribe in the subject line. You may also contact ASNT at 1711 Arlingate Lane, P.O. Box 28518, Columbus, Ohio 43228.

Section Chat Room

An enhanced chat room is available to all members on the section home page. Currently available public rooms are Main (for general discussion), Board of Directors and Officers. Any group with a Pacific Northwest member may use the chat rooms. Email webmaster@asntpnws.org and a room can be set up for your group and if you want it private leave the names of participants and a password of 8 characters for the group.

Comments from PNWS Chat 1 users:

emery > Any problems with this kind of forum?

clive > I think this is a great way to do it.

Bob > the chat room thing is a great idea...we probably need to have one person facilitate the topics

Bob > also need to tell everyone how easy it is

MEETING DATES For 2004-2005

Below is a list of meeting dates, topics and speakers. Meeting date is the second Thursday of the month unless otherwise noted. In case of last minute changes be sure to check the section website at <http://www.asntpnws.org/>.

Future Meetings are on the second Thursday of each month unless noted otherwise.

Date Topic, Speaker, Company

September 23, 2004 "Unusual Eddy Current Inspections" by Jim Pellicer of Boeing
October 14, 2004 Bond Testing in Aerospace Composites by Pat Spencer, Zetec, Issaquah
November 11, 2004 Transient Thermographic Technique for NDI of Aerospace Composites by Rob McCullough, Quest Integrated
Dec. 9, 2004 Christmas Party at Jillian's Billiard Parlor with Santa
January 13, 2005 Furnace Tube Inspection Methods by Phil Bondurant, Quest Integrated
February 10, 2005 Joint Meeting with AWS, "Magneto-Optic Imaging (MOI)", Current Update by Bill Shih, Physical Research, Inc.
March 10, 2005 NADCAP Audit Procedures and Findings, TBD
April 14, 2005 Cleaning Film by Dave Odegard of Cascadetekk, Nominations of Officers
May 12, 2005 Homeland Security, Dave Hall of L&W Research, Elections
June 9, 2005 Spring Social or Picnic
July 14, 2005 Annual ASNT-PNWS Golf Scramble Tournament
August 11, 2005 Board of Directors 2005-2006 planning meeting

MORE SECTION NEWS

The [section web site](#) contains two surveys and a member database. A [membership survey](#) is about general section operations and meeting dates. An [educational survey](#) asks for your input on which educational topics are best suited for our membership. Please take a few minutes to complete these surveys to provide input for the board. They do get looked at so your input is important in deciding which direction the section travels.

MEMBERSHIP DATABASE

Also located on the section web site. Keep your information up to date in order to get the latest newsletter and other information.

MEMBERSHIP RENEWAL

For renewals within 6 months of expiration use the form at <http://www.asnt.org/membersonly/forms/individmrenew.ihtml>
If your membership expired more than 6 months ago, please use the form at <http://www.asnt.org/membership/forms/individualmema.ihtml>.

WELCOME NEW OR RENEWED MEMBERS

Mr. Jeffrey R Kollgaard, Mr. Michael T Worby, Mr. Robert K Swisher, Mr. Randolph M Williams, Mr. Randy N Petersen, Mr. Ting Bong Au Yong, Mr. Patrick R Pack, Mr. John V Loscheider, Mr. Manuel R Nittritz, Mr. Dave Preble, Mr. Richard J Jacob, Mr. Kane M Mordaunt, Mr. Frank Brennan, Mr. Jim Everard, Mr. Justin H Walsh, Mr. Gary E Georgeson

PAST EVENTS

The summer hiatus has provided a well-deserved recuperation period for all involved in the section operations. The section is now ready for the coming year and great things are expected.

FUTURE MEETINGS

The names of all attendees will be gathered in the guest book for the year-end cash drawing. The 30 dollar door prize is being contributed to an accumulative pot that has the name of attendees at each meeting entered. So the more meetings you attend the better your chances are at winning the pot at the end of the year. (\$30 x 8 = \$240!. If we have more than 8 meetings the pot grows that much more. Better odds than the lottery!). Must be a local section member and present to win.

ANYONE INTERESTED IN ASSISTING A COMMITTEE, PLEASE CONTACT A BOARD MEMBER.

YEAR BOOK

Member names and addresses are a yearbook requirement. Unless the address of the member is specifically authorized for inclusion it will not be published. In preparation for the 2004-2005 section yearbook a request is being made for inclusion of your address in the yearbook. If you do not wish your address published, do nothing. If you do send a message authorizing your address publication to yearbook@asntpnws.org. If you are interested in serving on the yearbook committee please use the Member Survey form on the section web page at <http://www.asntpnws.org/> or contact any board member.

The 2003-2004 YEARBOOK is available on the section web site at <http://www.asntpnws.org/newsletters>

AWARDS

Jim Pellicer of The Boeing Company has been selected as ASNT Fellow, Class of 2004.
