Electronic Newsletter Distribution

We would like to stop sending you paper copies of the monthly newsletter. Please send email to secretary@asntpnws.org so you can be removed from the paper newsletter mailing list. Include the following information:

1. Name
2. The fact that you want to stop getting the paper copy
3. Email address to receive email copies only.

Most company email servers will not accept email unless it has a specific address such as you@server.com.

If your E-mail address has changed, please E-mail the changes to the Chapter's Sec. at secretary@asntpnws.org.

Update the section roster and database by going to <http://www.asntpnws.org/memberfi.html>.

LEVEL III CERTIFICATES

Certificates are available at each meeting to document your meeting attendance for Level III renewal points. See an officer for details.

SECTION PHOTO COLLAGE

Big Thank you! to Jim Cox of Zetec who provided two albums of section photos from the past. Anyone else that has any old photos of past local ASNT people/functions or anything that maybe interesting for a section photo collage, please contact [Lynn Graham](mailto:Lynn.Graham). She would like to put together something nice for the section and is asking for your help in doing so. Thanks very much. Lynn can be reached at (253) 813-1811.

NEWSLETTER ADDRESS LABEL

The first line of the address label contains the member number followed by the expiration date of membership for that number.

PRESIDENT'S POINTS

The Pacific Northwest section ended the 2004 year in 5th place.

MEMBERSHIP RENEWAL

The member database on the section web site provides an easy method to locally update your information. Please update your email address at the [section web page](#) by choosing member data base and details, also update your [member profile at headquarters](#).

LEVEL III CERTIFICATES

Certificates are available at each meeting to document your meeting attendance for Level III renewal points. See an officer for details.

MORE SECTION NEWS

The [section web site](#) contains two surveys and a member database. A [membership survey](#) is about general section operations and meeting dates. An [educational survey](#) asks for your input on which educational topics are best suited for our membership. Please take a few minutes to complete these surveys to provide input for the board. They do get looked at so your input is important in deciding which direction the section travels.

PAST EVENTS—Christmas Party/December Meeting

Six children in addition to 23 members and 5 vendor representatives for a total of 34 attendees attended the Pacific Northwest section Christmas party meeting. Even though the meeting was on a Wednesday instead of the usual Thursday attendance was good. MPM Products, GE Technologies, Caliber Inspection, International Inspection, Inspectek, and American NDT sponsored the meeting. The section wishes to thank these sponsors and ask for your support of them. Held at Jillian's Billiard Parlor near Lake Union (located near Lake Union in downtown Seattle). A dinner of meatballs, honey glazed ham, scalloped potatoes, baked beans w/bacon, garden vegetable salad, and delectable cookies preceded the pool tournament. Tiffany of Jillian fame was the house billiards pro and coordinated the pool tournament. The last round was played between Mr. and Mrs. Meade.

Laura Meade was the victor and reigning billiard champion. Mrs. Claus was ill so Santa Claus was understandably absent to get everyone healthy for the coming event.

Hopefully all members signed the guest book for the year-end cash drawing. As another meeting incentive corporate member Caliber Inspection generously offered to pay dinner costs for any of they're employees who attend a section meeting. The thirty-dollar door prize is being contributed to an accumulative pot that has the name of section attendees at each meeting entered. So the more meetings you attend the better your chances are at winning the pot at the end of the year. In order to win this accumulative prize the winner must be a section member and present at the drawing. If we have more than 8 meetings the pot grows that much more. So 8 meetings at \$30 added for each meeting is \$240 minimum at the end of section year drawing. Those are better odds than the Washington State lottery, which are 1 chance in 13,983,816 of winning.

ANYONE INTERESTED IN ASSISTING A COMMITTEE, PLEASE CONTACT A BOARD MEMBER OR COMPLETE THE SURVEY AT http://www.asntpnws.org/questionnaire_m.html

YEAR BOOK

Member names and addresses are a yearbook requirement. Unless the address of the member is specifically authorized for inclusion it will not be published. In preparation for the 2006-2007 section yearbook a request is being made for inclusion of your address in the yearbook. If you do not wish your address published, do nothing. If you do send a message authorizing your address publication to <mailto:yearbook@asntpnws.org>. If you are interested in serving on the yearbook committee please use the Member Survey form on the section web page at <http://www.asntpnws.org> or contact any board member.

The 2005-2006 YEARBOOK is available on the section web site at <http://www.asntpnws.org/newsletters/Publish/>
